DISTURBANCE

On 6/7/2023, at 16:56 hours, I was dispatched to 20400 Colonel Glenn in reference to a disturbance.

Upon arriving on scene, Youth Home Staff advised this deputy that [redacted] had caused a disturbance on the van earlier. I was advised that [redacted] had gotten into an argument with another resident, resulting in ripping the plexiglass light fixture off of the ceiling while also threatening to assault the student physically. [redacted] had also advised that she was going to jump out of the van into oncoming traffic. Staff requested that [redacted] be taken to Children's Hospital and assessed for placement in an acute long term care facility.

MEMS was requested for an evaluation on [redacted] MEMS unit 803 responded and transported [redacted] to Childrens for further evaluation.

I then departed the scene without incident.
