Narrative:

Program Coordinator met with CEO Ben Beasley and Regional CEO Matt Wiltshire to discuss the Corrective Action Agreement put in place between Millcreek of Arkansas PRTF and the Placement and Residential Licensing Unit. The plan was discussed, agreed upon, and signed by all parties.

The Program Coordinator informed the facility that, while it is not required, their attendance at the CWARB meetings over the period of the Corrective Action Agreement is encouraged so they may discuss their progress towards the goals for correcting areas of non-compliance.

CEO Beasley will provide the Program Coordinator with dates and times that would be good for the agency to conduct an intent training with the Licensing Unit.
