Staff/client ratio visible in video 2:8. The fight itself appears to take place out of video view, but the aggressor can be seen punching something (which later in the video is revealed to be client ■). As soon as the aggressor begins to punch two staff are seen intervening. As soon as the staff intervene another altercation is seen at which point the same two staff intervene in that altercation. Staff are seen using the phone and the nurse is seen entering Pine Ridge a couple minutes later. Client ■ then appears in video bleeding, using a towel to wipe the blood. Both staff observed in video intervene seemingly as fast as they possibly can in both altercations.
