Narrative & Statements

Narrative - Morgan, Don - 8/29/2023 4:01:10 PM (Initial)

She took Deputy Drum and myself in to where the patients room. We spoke with the patient and got him calmed down. He advised that he did take a piece of wood off the bed and was hitting the walls just to make noise. He advised that he never tried to attack anybody. He advised that the people there were unfair and he wanted to leave, that's why he was acting up. He stated that he would lay down and would not cause anymore trouble and talk to his counselor in the morning. Nothing further to report at this time.
