### Notice of Serious Incident

Date of Incident: 9/3/2023

Date Received by DCCECE: 9/4/2023

Facility Name: Perimeter of the Ozarks

Facility Number: 237

Incident Type: Licensing

Report Description: Name: [REDACTED] DOB: [REDACTED] Notification: [REDACTED] (mother)  
Patient refused to return to unit after asking to see the nurse. while on milieu patient managed to get on top of the desk and was sitting on top of it refusing to come down. Once staff went to walk out of the milieu desk patient jumped down behind it and grabbed items that were sitting on the desk (on the inside area) in an attempt to get something to self-harm with. staff were able to remove all objects before that was possible. patient was restrained and kept attempting to get objects from floor she had knocked over to self-harm with. Staff moved her outside of milieu desk for safety and she had to be transitioned into a three person restraint due to repeated attempts of trying to bite herself and being combative with staff. once patient was calm she was released and allowed to go to her unit. She was placed on self-harm precautions and referred to her therapist to see about duration and if any other precautions are required. No injury was involved.
