### Notice of Serious Incident

Date of Incident: 9/15/2023

Date Received by DCCECE: 9/18/2023

Facility Name: Elizabeth Mitchell Centers

Facility Number: 157

Incident Type: Licensing

Report Description: On September 15, 2023, client [REDACTED] (DOB: [REDACTED]) was transferred from Elizabeth Mitchell Adolescent Center (EMAC) 6501, West 12th street Little Rock, Arkansas to Arkansas Children's Hospital via EMAC staff. On September 14, 2023, at approximately 7:40 pm, the client became very agitated and began hitting the wall in the cafeteria, staff were able to redirect the client and calm her down. Staff evaluated her right hand and used a mobile X-ray, which did not indicate any fractures. The client was observed by EMAC staff having syncope episode on September 14, 2023. She had two syncopal episodes within the last two days. On September 15, 2023, client would not eat or drink. The client was transferred to ACH for evaluation for syncopal episode, potential adventitious heart sounds, suspected dehydration, and hypotension. ACH released client care back to The Centers staff, where she was transported back to EMAC. The diagnoses were hypotension, altered mental status, dizziness, decreased appetite and hand injury to right hand. DCFS has client's guardianship.

Interim Action Narrative: Resident was assessed and transported to ACH for further evaluation.
