## Notice of Serious Incident

Date of Incident: 9/29/2023

Date Received by DCCECE: 9/29/2023

Facility Name: Perimeter of the Ozarks

Facility Number: 237

Incident Type: Licensing

Report Description: Name: [REDACTED] DOB: [REDACTED] Notification: Kari Rosenau (caseworker) Resident became upset when she was informed her unit was having to be searched as well as body searches of residents due to reports of contraband. Patient became verbally and physically assaultive towards staff. She continued to escalate and began banging her head on the wall. Staff intervened for safety and patient had to be restrained. Patient was eventually able to be de-escalated and complied with body search. She turned over contraband which were bristles she had pulled out of her hair brush. Placed on self-harm precautions and referred to therapist to determine length and if any others are needed.

Interim Action Narrative:

---

Maltreatment Narrative:

---

Licensing Narrative: 10/5/2023 - The provider reported incident was reviewed by Licensing Specialist Jarred Parnell. 10/5/2023 - Licensing Staff reached out to facility to inquire about the reports of contraband and if there was something reported other than the bristles. The facility responded that there were reports of other contraband but after a search it was reported kid flushed it down the toilet that morning. It was supposed to be a piece of wire

they had broke off of something on the wall in the milieu. The broken thing was removed and no other issues with that contraband situation.
