Notice of Serious Incident

Date of Incident: 11/6/2023

Date Received by DCCECE: 11/7/2023

Facility Name: Millcreek of Arkansas PRTF

Facility Number: 233

Incident Type: Licensing

Report Description: [REDACTED] ([REDACTED], DSS Custody, DOB: [REDACTED]) was sent to Dallas County Medical Center ER following an incident. She opened a fence gate that led to the outdoor walking trail and received a [REDACTED] from metal found on the gate. Following the onsite nursing assessment, she was referred to the ER for assessment and treatment. Surgical stitches were used to close the laceration on her 3rd digit, and Dermabond was used to close a minor laceration on her 5th digit. She was released to return to the facility. Her PCP will oversee any further medical care needs. The fence gate has been secured to prevent any future injuries similar to this incident.
