Notice of Serious Incident

Case Number: 019722

Date of Incident: 11/6/2023

Date Received: 11/7/2023

Facility Name: Perimeter Behavioral of Forrest City

Facility Number: 142

Incident Type: Licensing

Report Description: Resident came to the nurses station with complaints of not being able to move his fingers after punching the wall from being angry after he asked to go to the quiet room for a reason that he did not disclose with staff. Nurse consulted with APRN who advised that resident be sent to the Forrest City Medical Center for evaluation. Results of examination and X-Ray are fracture of hand because of self-harm. Resident placed of self-harm precaution and brought to the Leadership Safety Team for support to investigate what was wrong. Resident who recently admitted said that he is angry because he is in residential and does not want to be here. Resident given splint pain medications and sent back to the facility for continuance of care.

Interim Action Narrative: Resident was assessed by the APRN and sent to FCMC for further evaluation.

Maltreatment Narrative:

Licensing Narrative: Provider reported incident sent to licensing on 11/7/2023 but was not entered into ELS. Program Coordinator entered provider reported incident into ELS for documentation purposes.
