Report Description: Incident Report for [REDACTED] [REDACTED] client in our PRTF program and resides in Mabee House Incident Report date/time: 01/01/2024 7:25pm Location of Incident: Mabee House Incident Description: Suicidal Staff Involved: [REDACTED]

Events Leading: During a crisis with another peer client became very frustrated and was triggered by all of the yelling and door slamming. Client stated that she was going to kill herself at least twice while rocking back and forth and crying. While staff was doing wellness checks down the hall noticed marks on her neck and asked about them (because they were not there before). Client admitted to choking herself and was very remorseful stating that she was just upset with herself for yelling at her roommate. Nursing Assessment date/time: 01/01/24 7:38pm: The client was extremely irritated during a problem with a peer and was set off by all of the yelling and door banging. The client, who was sobbing and rocking back and forth, declared that she was going to kill herself at least twice. She had marks on her neck, which staff observed while performing wellness checks down the hall and inquired about (as they had not previously been there). The client expressed great regret for choking herself and said she was only angry with herself for yelling at her roommate.
