Narrative

On January 30, 2024, I took a report by phone from ASP in reference to a sexual assault involving two juveniles, which occurred at Little Creek Behavioral.

I spoke with a female, Linda Powell (complainant), who informed me the incident occurred on January 24, 2024. Powell stated the showers at Little Creek Behavioral are for one individual at a time, and a staff member is supposed to stay outside during their shower time. Powell stated JV1 (victim) was taking a shower at the time of the incident. Powell stated a staff member, identified as [REDACTED] (offender), was standing outside the shower while JV1 was showering. Powell did not have a date of birth for [REDACTED], and I was not able to positively identify [REDACTED] through a search in ATLAS due to no one matching the address provided by Powell.

Powell stated [REDACTED] stood outside the shower door while JV2 (offender) went into the shower with JV1. Powell stated [REDACTED] stood outside the door while JV1 began screaming for help. Powell stated JV2 was touching the exterior of JV1's vagina, and there was no penetration.

Powell stated [REDACTED] was fired immediately after completing the internal investigation.
