Narrative:

Time of visit: 10:30 am and 11:30 am

Census: 40

Program Coordinator completed buildings and grounds for the PRTF's Houses (Sturgis, Chestnut, Rose, and Mabee). Mr. Jon Pulliam, PRTF Lead Unit Manager, escorted Program Coordinator throughout the houses. The following areas were observed: comfort rooms, day areas, seclusion rooms, game rooms, laundry rooms, milieus, bathrooms, bedrooms, dining area/kitchen, and outside around the houses.

The grounds near each house were well maintained and free of safety hazards. Grills were observed on the grounds near Chestnut and Sturgis. Concrete picnic benches were observed on the grounds between the two houses.

No residents were present during the walkthrough at Sturgis or Chestnut. Residents and staff were at the school. Both houses were clean, and most bedrooms were organized. All furnishings were in good repair, safe, and clean. No odor detected in the bathrooms.

Walking to Rose and Mabee, Program Coordinator observed two soccer nets, bases for kickball in the ground, and four frisbee golf nets. The gazebo and basketball court were free of debris.

Rose ratio, 1:1 and Mabee ratio,1:1. All bathrooms and bedrooms were clean and mostly organized. Furnishings observed were safe, clean, and in good repair.
