Incident Type: Licensing

Report Description: Incident Report for [REDACTED] is a private placement client in our PRTF program and resides in Rose House Incident Report date/time: 02/26/2024 10:00am Location of Incident: Outdoors Incident Description: Medical Emergency (Trip to ER/Urgent Care), Patient Injury Staff Involved: Tiffany Phillips-Peters, Amanda Skinner, Richelle Kumiyama, Meredith Redding Events Leading: Pt was heading back to Siebert School from Outside as her 2nd period Rec class had come to an end and it was now time to change classes. Along the way, pt and her class were redirected about picking up pinecones, sticks, and more that were on the ground and also about throwing those items at one another. One of the pts peers accidentally hit pt in her left eye with a stick. Pt was shortly accessed by a nurse after class changes occurred. Furthermore, pt was scheduled and taken to her 4:30pm appointment at Urgent Care to have her eye further evaluated. Nursing Assessment 1 date/time: 02/26/24 4:15pm: Rec'd pt in rose mileu. Pt calm, cooperative to nurses assessment. Pt is alert and oriented to self/situation. Pt c/o a 'sharp pain' in L eye. Pt says that it feels like 'something is stabbing my eye'. Upon assessment, there is redness to the inner area of the L eye. No debris noted in eye. Appt w/ urgent care is set up for 2/26 at 1630 to assess for potential injury to eye. No further needs at this time. Nursing Assessment 2 date/time: 02/26/24 2:15pm: Client presented to the nurses station with staff and stated that she was accidentally hit in the eye with a stick while outside. She had a visible red spot on her right cornea near the inner corner of her eye. Pt did not appear to be in acute distress. On visual examination there was no sign of any foreign object, however client endorsed pain with blinking. She denied any change in vision, no photophobia, she denied "feeling" like something was in her eye. No swelling, no drainage noted. Guardian was notified on 02/26/24 at 4:44pm

Interim Action Narrative: Resident was assessed by the nurse and taken to urgent care.
