Primary Narrative By Josh Keyes, 03/03/24 20:37

Medical Emergency

On March 3rd, 2024, at approximately 1827 hours, I responded to 20400 Colonel Glenn Road at the Arkansas Youth Home in reference to a medical emergency.

Upon my arrival, I made contact with a Youth Home worker who advised [REDACTED] had a seizure. MEMS (Unit 710) and West Pulaski Fire Department arrived on scene when I did. The on board nurse advised [REDACTED] does not have a history of seizures, however, he stated [REDACTED] has a history of behavioral issues that mimic seizures. MEMS screened [REDACTED] and transported her to Children's Hospital.

I left the scene with no further incident.
