Notice of Serious Incident

Case Number: 020163

Date of Incident: 3/27/2024

Date Received by DCCECE: 3/28/2024

Facility Name: Perimeter Behavioral of Forrest City

Facility Number: 142

Incident Type: Licensing

Report Description: [REDACTED] Resident presented to nurse's station and informed the nurse he had breathing and congestion, a rash between his buttocks, a laceration behind his right ear, and that his urine was brown. APRN was notified and an order obtained to send resident to FCMC for further evaluation and treatment for shortness of breath. EKG results pending. Chest x-ray findings - the cardiac and mediastinal silhouettes are within normal limits. The lungs clear. The osseous structures are intact. Cardioplummonary abnormality.

Interim Action Narrative:

Maltreatment Narrative:

Licensing Narrative: 04.01.24 LS White emailed inquiry re youth's status. 04.01.24 agency responded: placing our Director of Nursing on this email. Resident appeared well today with no issues, nonetheless, I think it best for Nursing to provide an update for him. I am aware his consult is still pending, and we have made some other arrangements for him in the milieu. 04.09.24 no further updates provide therefore LS White emailed another inquiry regarding this youth's status.
