Narrative

On March 29, 2024, at approximately 0928 hours, I was dispatched to make a call for service in reference to a terroristic threat.

I spoke with Allyson Shivers (complainant) by cell phone. Ms. Shivers is the director of admissions for Little Creek Behavioral Health (victim business). Ms. Shivers stated an unknown male (offender) left a bizarre voicemail on their office phone. Ms. Shivers stated the voicemail was left sometime after business hours and she had a recording of it. I listened to the recording of the voicemail and could hear a male subject state "One day there is going to be a suicide or murder because you fucks can't answer the goddamn phone". Ms. Shivers stated she was unaware of who the male was but the number he called from was [REDACTED].

Ms. Shivers provided me with the voicemail recording to be uploaded to the "patrol pics" folder. I advised Ms. Shivers I would be doing a report to document the incident. Ms. Shivers was given this report number and advised how to obtain a copy.
