## Primary Narrative By Keon Leflore, 04/04/24 10:39

Theft

On Wednesday, April 3, 2024 at approximately 1347 hours, I, Deputy Keon LeFlore was given a telephone number in reference to theft of property.

Upon calling, I spoke with Rita Williams and she advised me of the following:

Williams works for the Pulaski Count Special School District. Williams advised the Youth Home was given a grant for the children at the facility. The Youth Home recently purchased Apple iPad Pros 11 inch (3<sup>rd</sup> generation) for each student last August. Inventory inspection for the iPads was recently conducted last week and noticed there was an IPAD missing from one of the teacher's room.

I, Deputy LeFlore advised Williams to track the missing iPad using Find My iPad. Williams advised if she have any successful results, she would contact me on my personal cellular device.

Item:

Apple IPAD Pro 1 inch (3<sup>rd</sup> generation)

Serial Number- JCW5P4VNWS

Estimate value – \$1,000.00
