Narratives

Name: Narrative Author: 185 - Stuck, Jonathan Supervisor: 146 - Pena, Jared Date Created: 04/08/2024 08:09

Description:

On 04/04/2024 at approximately 1721 hours I, PFC Stuck #325, responded to a battery call at Perimeter of the Ozarks, located at 2466 S. 48th St. The caller stated she was a nurse at the facility and had been attacked by a patient and wished to file a report.

Upon my arrival I made contact with Hannah Dyer, (W/F [REDACTED]) Dyer stated she is a nurse and had an issue with a patient just a short while before. Dyer stated that a resident in their care, [REDACTED] (W/F DOB: [REDACTED]), was causing issues in the main room of the ward. [REDACTED] was throwing cocktail hot dogs at one of the other residents there. She was throwing other bits of trash around the room and banging on the windows. Dyer called for another staff member, who arrived and attempted to restrain [REDACTED]. [REDACTED] fought back and attempted to break free from the other staff member. Dyer joined in and they were able to get [REDACTED] pinned on the floor on her back. Dyer stated she was holding [REDACTED] right arm, but [REDACTED] broke free from her grip and punched her in the throat with a closed fist. Dyer again grabbed her arm and restrained her. While Dyer was holding her arm down with her left hand, [REDACTED] used her finger nails to scratch at Dyer's left hand, breaking the skin and causing injury to the outside of Dyer's palm. Other staff members joined in the struggle, and they were eventually able to restrain [REDACTED] and place her back in her room. I took photos of Dyer's hand, as that was the only visible injury I could observe. The injuries I photographed were consistent with what Dyer described to me.

As I was speaking with Dyer, another nurse stated she was also injured. Rebecca Robinson (W/F DOB: [REDACTED]) stated she responded to help Dyer and other staff members as they were struggling with [REDACTED] on the floor. Robinson stated she held down one of [REDACTED] hands, but [REDACTED] was grabbed hold of her middle finger and twisted it hard to one side. Robinson stated that after the struggle she inspected her hand because she was feeling a high degree of pain in her finger. She observed her finger was swollen and starting to show bruising. Robinson stated she felt her finger was fractured. She stated several times that she believed it to be fractured, but was going to treat it herself. Robinson had her finger in a splint, wrapped with tape. I asked Robinson if I she could remove the tape so I could photograph the injury, which she did. I observed swelling in her finger and some purple discoloration on the underside of the joint. I took photographs of the injury.

I asked both Robinson and Dyer to fill out a statement while I watched the camera footage of the incident. I observed the event to be as both of them described it to me. Since there were several staff members on the ground, struggling with [REDACTED], I was unable to see the precise moment when Dyer was struck in the throat, or when either of them received injuries on their hands. It was clear to me that they were each actively engaging with [REDACTED] as she was on the ground, and restraining her hands at different points. I observed Robinson shake her hand as she pulled away and stood up at one point. I asked for the video footage and was told by the supervisor that I would need to subpoena it if I wanted it. Due to this call coming out so late in the day my body camera died half way into the call. My body camera was not on when I watched the video footage.

Based on the video evidence and the statements from both Dyer and Robinson, I have probable cause to charge [REDACTED] with Battery 2nd Degree x2. This is enhanced from Battery 3rd Degree since Dyer and Robinson are both nurses.

I called JDC and advised them of the situation. I advised of the charges I had and they stated they wanted me to cite her and release her back to the facility. They provided me a court date for 04/15/2024 at 10:45 am at Division 3. I provided them all the information they needed concerning the incident and the suspect.

I returned to the office and spoke with Sarah Whorton, the on duty supervisor, who stated she would be the one to go to court with [REDACTED]. I provided her [REDACTED] copy of the citation and explained the court date and time. Later, back at the PD, I uploaded the photos to the B Days Photo Folder.
