Facility Name: Little Creek Behavioral Health

Facility Number: 255

Incident Type: Licensing

Report Description: Little creek is allowing a supervisor [REDACTED] work with two felony's a battery an a DWI. I do not fell comfortable with him working at little creek with those types of charges being that we work with children that have behavioral/mental issues. He's also court ordered to go to jail on the weekends. A lot of the kids from our facility are aware of this and think it is 'cool'. He is not a good example for these children and most of the time we are their last resort.
