Report Description: Incident Report for [REDACTED] client in our PRTF program and resides in Rose House Incident Report date/time: 05/14/24 7:28pm Location of Incident: Rose House Intervention Type: Personal Restraint, Acute Placement Incident Description: Self Injury (Not Suicidal), Aggressive to Adults, Threat to Safety Staff Involved: [REDACTED]

[REDACTED] Events Leading: Client was prompted to put away her markers due to not being able to have them while being on eyeball. Client then began to pick at her fingers and was prompted many times to stop. Client then made her finger bleed and went onto pulling another scab and causing it to bleed as well. Client was placed in a restraint and became very violent. Client was then taken to seclusion. 7:28pm: Personal Restraint: Client began to scratch at staff and made several attempts to bite staff. Client screamed "let me go". Staff assured client once she displayed safe behaviors they would let her go. Client then made attempts to pull staff 's hair while using profanity to express her emotions. Client began to kick at staff during this time as well. Client made attempts to hit her head against the floor repeatedly. 7:43pm: Personal Restraint: Staff continued to try to deescalate the client. Client assured staff she would not be safe if released from the personal restraint. Client talked about missing her biological mother that is deceased. 7:51pm: Personal Restraint End: Client began to display tension reduction. She was able to contract for safety and was released Patient Debriefing date/time: 05/14/24 7:55pm: Staff assured client it is okay to express her emotions but use safe alternatives. Client began process with staff about missing her biological mother that is deceased. Staff continued to offer the client verbal support.
