Notice of Serious Incident

Case Number: 021432

Date of Incident: 5/21/2024

Date Received: 5/22/2024

Facility Name: Perimeter Behavioral of Forrest City

Facility Number: 142

Incident Type: Licensing

Report Description: Resident, [REDACTED], was sent to Forrest City Medical Center by order APRN for further evaluation to his left arm. Resident injured himself with a pencil from his pocket after being upset with a peer and began to tantrum, escalating to self-harm behavior. The pencil was confiscated, and sweeps were conducted. [REDACTED] is on self-harm precautions until further evaluation. The second Resident is on assault precautions. Both Residents are currently on line of sight supervision, as well as, peer restriction until further evaluation. Camera footage reviewed and both Residents were interviewed by the Safety Team. They both verbalized understanding the expectations around peer restriction. Resident returned from Forrest City Medical Center at approximately 1950 (7:50 pm) with no new issues, and wound cleansed. The Nursing department bandaged wound upon return. PWound care ongoing by Nursing department.

Interim Action Narrative:

Maltreatment Narrative:

Licensing Narrative: 05/22/24 Follow up will be initiated when time permits as this is not reportable. 05/23/24 it was verified that this youth was seen at the ER component of the Forrest City Medical Center. Youth is doing better. No concerns as agency staff acted within the MLS and implemented safety plan regarding this occurrence.
