**Licensing Narrative: 05/30/24 LS White initiated follow up with agency re youth's status. 05/30/24 Agency responded: Resident is doing well. I spoke with him yesterday evening and reports no issues. The Resident was wearing proper footwear. There is a check completed in the morning and before gym time. Our Residents just tend to treat their gym time like a NBA Championship game and rolling ankles is not uncommon for frequent basketball players. No licensing concerns.**
