Report Description: Incident Report for [REDACTED] client in our PRTF program and resides in Mabee House Incident Report date/time: 06/08/24 6:36pm Location of Incident: Mabee House Incident Description: Self Injury (Not Suicidal), Threat to Safety, Medical Emergency (Trip to ER/Urgent Care) Staff Involved: [REDACTED]

Events Leading: Client was upset with staff about having to be placed in the back of the lunch line. Client was placed in the back due to being put on a peer limit. Client was very upset about that. Client waited till she got back to the house to start punching the wall. I asked her several times to stop punching the wall she would not stop. Nursing Assessment 1 date/time: 06/08/24 6:57pm: staff reported that pt punched the wall with R hand. upon this RNs arrival, pt found sitting in her room in the corner, barricaded herself behind the plastic chair. initially was not communicating and refusing assessment and any tx. while trying to de-escalate, pt punched the wall 3 more different times randomly while seemingly was calm and quiet. eventually this RN removed the chair , pt started to get emotional and reported severe pain to R hand. LOP 10/10. limited ROM to the R hand joints with severe pain. reported numbness to R 5th digit. purple discoloration noted around the knuckle joints and mild swelling as well. denied any other pain/injuries/concerns. cooperative . resp even/unlabored. no s/sx of acute physical distress. ibuprofen administered per orders and ice pack applied. Cody Horn , APRN notified of the assessment findings and ordered for staff to take pt to ACH ED for R hand injury evaluation. UM notified and making arrangements to transport at this time. mom notified via the phone call Nursing Assessment 2 date/time: 06/08/24 7:49pm: Patient assessed. Patient found in bedroom sitting up. Complaints of right hand pain, specifically pinkey finger is especially painful. Pt unable to make a fist. Will continue to monitor. Nursing Assessment 3 date/time: 06/08/24 11:10pm: Patient back from Emergency Room. Denies pain currently. Patient and staff working on gathering bedding to sleep front of house.

Mother contacted at 1120pm and made aware of patient's condition. Guardian was notified on 06/08/24 at 7:30pm and 11:20pm ER Paperwork was emailed to Tara Norton and Kendra Rice on 06/10/24

Interim Action Narrative: Facility transported resident to ACH for evaluation after resident complained of pain. Resident returned to facility and is currently placed in the front of the house to sleep.

Maltreatment Narrative:
