Program Coordinator met with Paul Hofstad and Barbara McCrory to discuss adding additional bedrooms to EMCC.

The facility is licensed to have 33 residential beds and would like to be able to offer more services to residents in need of services. The facility no longer utilizes Destiny House for residential services. Destiny House is being utilized to house adults in their adult program.

The facility discussed using the old classrooms that were utilized in December 2022 and January 2023 when EMCC was being repaired. The facility reported cameras being in the classrooms, a toilet and sink. The residents would utilize the shower down the hall for hygiene.

Facility was informed that a written plan (documentation) should be submitted to Licensing of their plans.
