Program Coordinator met with Paul Hofstad and Barbara McCrory to discuss accommodation for the residents at EMAC while flooring is being replaced. The facility does not have an exact timeframe of how long it will take for the flooring to be replaced or dates.

The facility presented two (2) options:

- For a two (2) day operation, the flooring company would strip the floors on day one (1). The residents' beds would be placed back into their bedrooms to allow the residents to stay in their dorms. Day two (2), the flooring and all furnishings will be replaced.
- Have the residents sleep in the classrooms and dining room area while the flooring is being replaced. During sleeping hours, dining room ratio would be 1:8 and the classrooms ratio would be 1:4.

Facility was informed that a written plan (documentation) should be submitted to Licensing of their plans.
