Narrative:

Licensing completed a buildings and grounds walkthrough of the PRTF 100 unit, the SRP 200 unit, the 100 A/B dayrooms, and the gymnasium.

The buildings have obvious signs of wear and tear to include paint missing beside a resident's bed from the resident picking at it, doors with damage around the bottom, and tiles that are chipped in the showers. Licensing spoke to the facility Program Director who stated that they have two full time maintenance crew and one part time that are continuously trying to keep up with the building as it is aging. All areas viewed today were clean and sanitary

Licensing encouraged the facility to make updates to the buildings to improve its appearance. Licensing will return within the next three months to complete another walkthrough to view any improvements that have been made.
