Licensing received a complaint on 9/4/2024 for ELS Case #023715.

Program Coordinator met [REDACTED] at the facility to review camera footage. Staff members (Ms. Sherika, Mr. Justin, and Ms. Kaylynn) provided information regarding the incident.

The reported incident happened on the girls' unit in the foyer area during medication time. Resident was observed standing near the nurse being argumentative, ratio 2:1. There was another staff member observed in the foyer.

Resident was observed sliding on the floor in her socks running toward staff. Resident was heard being verbally aggressive and physically aggressive toward staff. Resident was observed swinging and throwing objects at staff. Resident was also observed banging her head and closed fists on the floor, walls, and doors. Resident was placed in a restraint briefly and then released.

Resident continued to be physically aggressive toward staff by chasing staff with an object. Staff were observed removing themselves from the situation by going into the BI's office. Resident was observed banging on the door. Resident then walked away from the door, took off her sweater, and started wrapping the sweater around her neck.

Staff were observed walking back into the foyer area and remove the sweater from around the resident's neck. Before getting close to the resident, staff were observed putting their ID badges away. Resident resisted and would not let go of the sweater at first. Once the sweater was removed, the resident laid on the floor.

Staff were observed removing the sweater after resident wrapped the sweater around her neck.

Licensing is not prepared to leave a finding at this time.
