**Incident Type: Licensing**

**Report Description:** On 10/14/24 at approximately 1300 [REDACTED] [REDACTED] was on the educational outing at Farmland Adventure. Staff saw the resident put what appeared to be a small battery into his mouth and a bottle cap into his mouth. The resident refused to give it up when asked and swallowed the item. When arriving back at the facility, he refused a pocket search and wand search and ran past staff at first but eventually was searched. APRN ordered an x-ray and placed the resident on clear liquid diet until the results of x-ray was back. In house x-ray showed [REDACTED]. The resident was placed on precautions to be reassessed in 24 hours.
