Notice of Serious Incident

Case Number: 024840

Date of Incident: 10/19/2024

Date Received: 10/21/2024

Facility Name: Piney Ridge Treatment Center

Facility Number: 203

Incident Type: Licensing

Report Description: On 10/19/24 at approximately 1635 [REDACTED] was on the east unit playing with legos. He placed a lego in his mouth and refused to spit it out upon staff direction. He ran up to the nurses station and stated "I am going to swallow it" and then proceeded to swallow the lego. APRN notified and a liquid diet for 72 hours was ordered and an abdominal xray was ordered. The xray occurred on 10/20/24 and the results were: [REDACTED]. Nursing educated resident on the importance of not ingesting objects not meant for consumption. Resident mildly receptive to education.

Interim Action Narrative:

Maltreatment Narrative:

Licensing Narrative: The report was reviewed by Licensing 11/13/2024 - Licensing specialist will inquire of the precautions the resident was placed for his actions. Facility response received: "Yes we supervise the residents and the nurse spoke with the resident. Justin the CEO and I had a conversation of mitigation and decided that in the long run ? it was therapeutic for residents."
