Description:

On 11/10/2024 at approximately 1728 hours I responded to a disturbance at 2644 S 48th st. dispatch advised that a 13 yoa female was kicked in the stomach and was spitting up blood.

Upon arrival I met with Kris Teel [REDACTED] who advised the blue pod was fighting. I went back into the pod and the staff had multiple juvenile females in holds on the ground. No staff was able to tell me what had happened.

After the pod had calmed down I sat down with Mr. Teel the RN in charge at the time and he advised me that some of the girls in the pod were talking about each other and a fight broke out. Mr. Teel was unable to tell me who started it and who all was involved.

Mr. Teel stated that he does not believe there was blood being spat up but that the Victim who I identified as [REDACTED] had eaten hotdogs for diner just a few moments earlier had mashed them up and spit them up pretending it was blood. but it was unconfirmed.

[REDACTED] was transported to childrens hospital for evaluation.

Axon Camera Activated.

Date Created: 11/14/2024 15:46

Description:

On Thursday, November 14, 2024 at approximately 3:30pm I made contact with one of the staff members at Perimeter of the Ozarks named John, by phone call. Upon contact, I explained to John who I was and why I was calling. I explained to John there wasn't enough information in the original report narrative to explain what exactly had happened. John said he could provide any information on the incident but was familiar with the persons involved. John said there hadn't been any other issues since the incident occurred. I asked John if Kris Teel was working, and he replied, no. I explained to John that I would be closing the case and showing inactive due to lack of information needed for prosecution and to completely understand what took place. John said he understood.

At this time, I will be showing the case closed and inactive awaiting supervisor approval. No further information at this time.
