Licensing received a provider reported incident on 11/26/2024 for ELS Case #025778.

Licensing Specialist reviewed camera footage for this provider reported incident with Ms. K. Barrett.

This alleged incident was reported on 11/26/2024. The staff and the resident appeared to be calm and interacted well. The staff and the resident started talking with each other where their communication could not be heard on the video for Licensing.

Licensing did hear the staff tell the resident to go to the bathroom to wash his hands. Licensing observed the resident walk into the bathroom while the staff walked to the door of the bathroom. It appeared the staff stood at the door and turned on the light, a noise was heard from the video, and then the resident could be heard crying and screaming.

Licensing is not prepared to leave a finding at this time.

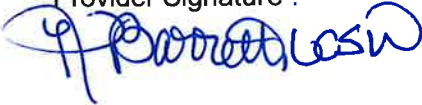

Provider Comments: On 12/2 I received a phone call from the resident's mother. She reported that the resident told her that the staff member didn't hit him. He told his mother that he was mad at the staff member because staff was telling him what to do. ~~After the~~ While the report was being made, the staff member was suspended and went home.
