Licensing Narrative: 2.12.25- Program Manager called POWM and let the secretary know that the CEO needs to contact immediately. [REDACTED] and they did not report it in ELS and we have not been able to reach anyone for an ICA. The CEO returned the call to the Program Manager and apologized for the lack of reporting due to the Director of Risk being out of the office. The CEO submitted the complaint into ELS and it has now been merged with this case number. The reported

submitted by the provider reads "Late night on February 7th, resident reported that a male staff member touched her breast while he was removing her from a peers room. During this time patients were running into rooms that were off limits. After a verbal attempt to persuade patients to leave the room, the staff in question had to intervene and remove the patient from the room. Staff member was relieved and sent home immediately and subsequently/officially suspended beginning [REDACTED]. Staff member was suspended pending the investigation.
